MARRIED COUPLES WEEKEND

What does it take to make marriage last?

The weekend Workshop/Retreat investigates this question and leads into how to build

- A healthy marriage
- A happy marriage
- A sacramental marriage

For Whom?

It is for all married couples who want to get the most out of their marriage – and that should be all married couples!

Marriage development should not just be about sorting out problems but rather about developing the positive and so avoiding many of the problems.

'The weekend helped us re-evaluate our relationship. It was like falling in love all over again!'

(Married couple)

COST

It will cost €200 per couple. This covers the cost of the course, all meals and accommodation and includes a €100 non-refundable deposit to be sent with the booking form.

By Whom?

Each weekend, which will run from 7pm on Friday until after lunch on Sunday, will be conducted by a facilitator and a married couple

Why "Workshop/Retreat"?

The weekend will be a mixture of group work and couple work. The group work will be in the form of a workshop – looking at various aspects of marriage in general. The couple work will be each couple looking at their own marriage and how to grow in their love. Prayer will be part of both of these elements.

'Taking time out for each other like this is essential for any couple, no matter how long or short a time they have been married'
